On September 27, 2021, Markel CATCo Investment Management Ltd. (“**MCIM**”) announced the terms of a transaction that provides for an early return of substantially all net asset value (“**NAV**”) to persons who are beneficially interested in the shares of CATCo Reinsurance Opportunities Fund Ltd. (the “**Public Fund**” and such persons, the “**Investors**”) and also allows Investors to retain the right to receive any upside at the end of the current run-off period if currently held reserves are more than sufficient to pay claims (the “**Buy-Out Transaction**”). As part of the implementation of the Buy-Out Transaction, the Public Fund intends to propose a scheme of arrangement pursuant to Section 99 of the Companies Act (the “**Scheme**”).

As described in the announcement and to allow for investors who have not yet returned support undertakings (an “**Investor Undertaking**”) to consider these improved terms, the deadline for investors to enter into an undertaking to support the Buy-Out Transaction has now been **extended to 11.59 p.m. ADT on November 9, 2021** (the “**Extended Early Consent Deadline**”).

Partial Invalidity

13. If any provision of these Standard Terms is held to be invalid or unenforceable, then such provision shall (so far as it is invalid or unenforceable) be given no effect and shall be deemed not to be included in these standard terms, but without invalidating any of the remaining provisions. To the extent any provision of these Standard Terms is judicially determined to be unenforceable, a court of competent jurisdiction may reform any such provision to make it enforceable.
